## **MONDAY, OCTOBER 2, 2023**

- 06:30am - 07:00am Optional run/walk, guided meditation
- 07:00am - 08:00am Breakfast
- 08:00am - 09:00am **SPIR Around the World: Who are we?** This session highlights the unique aspects of practice in various parts of the world. Panelists from across the globe will answer a series of questions prepared by our two moderators. This promises to be a fun and informative look into how our colleagues experience PIR practice.
- 09:00am - 10:00am **Deep Venous Thrombosis and Pulmonary Embolism** From start to finish, learn the latest in thromboembolic care for children. The session will include a broad range of topics, including PERT evaluation, treatment algorithms and rationale, the latest in equipment options, post-procedural care, and long-term outcomes.
- 10:00am - 10:30am Networking/Refreshment Break
- 10:30am - 11:30am **Scientific Publications** This will be a 3-part session focusing on manuscript preparation, publication review and establishing/maintaining a successful journal club.
- 11:30am - 12:30pm **Scientific Session 1** The best of the best presentations gleaned from our submissions.
- 12:30pm - 01:30pm Lunch
- 01:30pm - 03:00pm **Patient Care** What's it like to be a patient in a pediatric IR practice? This session will touch on various aspects of what our patients experience, including child life involvement, referring provider perspectives, and sedation/anesthesia considerations.
- 03:00pm - 03:30pm Networking/Refreshment Break
- 03:30pm - 04:30pm **Pearls in Practice** A variety of pediatric IR professionals will share comments about what they have learned over the years. Similar to mini TED talks, these 10-minute talks will allow multiple presenters the chance to share a few of their favorite pearls of knowledge or wisdom. These could include best cases, hardest lesson learned, favorite piece of equipment, mentoring advice, etc. The topics are wide open, and we encourage you to stretch your creative muscles.
- 07:00pm - 09:00pm SPIR Welcome Reception
