JOB TITLE:

Interventional Pediatric Radiologist - 11515

--LOCATION OF JOB--

COUNTRY: United States

STATE/PROVINCE: Florida

CITY: Orlando

ZIP CODE: 32801

DESCRIPTION/RESPONSIBILITIES:

Nemours Children's Hospital, Florida is seeking a Pediatric Interventional Radiologist to work at our free-standing children's hospital in Orlando.

Nemours Radiology is one of the largest pediatric radiology groups in the United States, comprised of 40 pediatric radiologists working together to provide state-of-the-art diagnostic and interventional radiology services at our locations in Delaware, Florida, New Jersey, and Pennsylvania. In 2021, approximately 380,000 imaging examinations were performed across the system. The enterprise is integrated within a single PACS, with faculty working from shared worklists, participating in multi-site conferences and initiatives, and sharing after hours responsibilities including a dedicated team of three overnight radiologists. Faculty are licensed in all four states and credentialed throughout the system as well as partner institutions.

Nemours Radiology provides full pediatric imaging services (diagnostic and interventional) for Nemours Children's Hospital, Delaware, in Wilmington, Nemours Children's Hospital, Florida, in Orlando, Nemours Children's Specialty Care in Jacksonville, FL, Nemours Children's Clinic and West Florida Hospital in Pensacola, FL, Wolfson Children's Hospital in Jacksonville, FL as well as several hospital partners for pediatric radiology. Faculty are licensed in all four states and credentialed throughout the system as well as partner institutions.

Academic appointment at the University of Central Florida College of Medicine will be recommended commensurate with the candidate's qualifications and experience. Candidates with interest in Quality & Safety as well as Research & Education are encouraged to apply.

Nemours Children's Health is an internationally recognized, multi-site pediatric healthcare system built upon a centralized, efficient and collaborative infrastructure committed to improving the health of all children. The mission of Nemours is to improve the health and health care of children by seeking new approaches to the prevention, diagnosis, and treatment of childhood diseases, and to educate the next generation of leaders in

children's health.

Nemours Children's Hospital, Orlando is the newest addition to the Nemours integrated healthcare system. Our 130-bed pediatric hospital also features the area's only 24-hour Emergency Department designed just for kids as well as outpatient pediatric clinics including several specialties previously unavailable in the region. A hospital designed by families for families, Nemours Children's Hospital blends the healing power of nature with the latest in healthcare innovation to deliver world-class care to the children of Central Florida and beyond. In keeping with our goal of bringing Nemours care into the communities we serve, we also provide specialty outpatient care in several clinics located throughout the region.
