

**University of Colorado Anschutz Medical Campus**  
**Department: Radiology – Interventional Radiology**  
**Job Title: Open Rank - Assistant, Associate, Professor, Pediatric IR**  
**Position #: 00808947– Requisition #: 33825**

***Join an established Pediatric Interventional Radiology practice at a TOP 10 Children's Hospital!!!***  
**Children's Hospital Colorado and University of Colorado Anschutz Medical Campus**

**Job Summary:** University of Colorado School of Medicine Department of Radiology and Children's Hospital Colorado (CHCO) are seeking a fellowship trained, Pediatric Interventional Radiologist (IR). The division of Pediatric Radiology consists of 33 board certified pediatric radiologists and 4 Advanced Practice Providers (APP). Currently, a subset of 4 pediatric interventionalists and 3 APPS are on track to perform over 4000 procedures per year. Pediatric IRs will focus their work at one central campus in Aurora, CO, approximately 15 minutes outside of Denver. If desired, cross coverage with adult IR may be possible.

The University of Colorado Anschutz Medical Campus seeks individuals with demonstrated commitment to creating an inclusive learning and working environment. We value the ability to engage effectively with students, faculty and staff of diverse backgrounds.

Key Responsibilities:

- Perform diagnostic and therapeutic pediatric interventional procedures daily at CHCO. Neuro-interventional procedures and stroke are covered by a separate team that can provide opportunities for collaboration.
- Providing pediatric diagnostic radiology coverage is helpful but not required.
- Call responsibilities are typically every fourth night and weekend.
- Fellow, resident, and medical student education in both an outpatient and inpatient setting are critical components of the position.

**Why Join Us:** CHCO is a free-standing children's hospital affiliated with the University of Colorado School of Medicine. The CHCO network of care covers 618 beds and is regularly rated in the top 10 Children's Hospitals by U.S. News & World Report.

We recently completed a multimillion-dollar expansion of the Pediatric IR Department with state-of-the-art Siemens technology including two dedicated IR suites (biplane and single plane) and separate scanner for CT fluoroscopy. We have a comprehensive multidisciplinary Vascular Anomalies Center that has over 1400 clinic visits per year and serves at least 8 regional states. We consistently work with an active Hepatobiliary/Transplant program and thriving

Hemophilia/Thrombosis Center. There is a large collaborative oncology service with weekly tumor boards and a growing Pediatric Interventional Oncology Service. We have numerous opportunities for research, publication and national/international speaking.

Denver is a unique city located near beautiful mountains, and national parks for hiking, biking, and world class skiing/snowboarding. There is an energetic downtown with arts, theater, and a restaurant scene to be enjoyed. Denver also boasts a large international airport that easily connects to the rest of the world!

The University of Colorado offers a comprehensive benefits package that includes health insurance, life insurance, retirement plans, tuition benefits, ECO pass, paid time off – vacation, sick and holidays and more. To see what benefits are available, please visit: <https://www.cu.edu/employee-services/benefits-wellness>.

### **Diversity and Equity:**

The University of Colorado Anschutz Medical Campus is committed to recruiting and supporting a diverse student body, faculty and administrative staff. The university strives to promote a culture of inclusiveness, respect, communication and understanding. We encourage applications from women, ethnic minorities, persons with disabilities, persons within the LGBTQ+ community and all veterans. The University of Colorado is committed to diversity and equality in education and employment.
