

Join a mission-driven team advancing pediatric care in Central Florida.

Pediatric Interventional Radiologist – Nemours Children's Hospital, Florida

Nemours Children's Hospital, Florida is seeking a board-certified/eligible **Interventional Pediatric Radiologist** to join our Orlando team. This is an opportunity to be part of a story of growth—at a campus and health system investing in talent, innovation, and the next generation of pediatric care.

As part of our commitment to Whole Child Health and building the healthiest workforce, Nemours Children's is **investing \$300 million over four years to expand pediatric services across Central Florida**. Key projects include a hospital expansion (110,000 sq. ft.), a 75,000 sq. ft. surgery center and a new administrative building—all designed to serve Florida's growing pediatric population.

You'll work alongside a dedicated and collaborative team that includes:

- A pediatric-trained anesthesia team
- Four Interventional Radiology technologists
- Two Advanced Practice Providers

Practice in advanced single and bi-plane IR suites, supported by a highly skilled, collaborative clinical team. Nemours Radiology is one of the nation's largest pediatric radiology groups, with 40+ subspecialized faculty integrated across a shared PACS and academic infrastructure.

This role offers:

- Academic appointment through the University of Central Florida College of Medicine
- Access to research, teaching, and systemwide QI initiatives
- A culture that supports individuals to flourish and embrace challenge

For physicians driven by purpose and perseverance, who want to build something meaningful and care for children with greater need — this is a place to thrive.

To apply, please send your CV to Physician Recruiter Angel Walbroel at Angel.Walbroel@nemours.org or call 407.223.1358.
